

## Golden Crane Referral Program:

### The Greatest Compliment We Can Receive Is For You To Invite Friends To Our School!

Be an Ambassador for the Golden Crane! We value your family's friendship, and we are sincerely grateful and honored that you have chosen our school.

We want to attract more families like yours too. This is why we launched the **Golden Crane Ambassador Program**. It is a referral program designed to attract quality people, like you, to our school. It also allows our valued students to share their martial arts experience with their families and friends at a substantial savings!

**Here's how it works:** Every person [or family] you refer will receive a Two-Week Trial Membership at absolutely no cost!

When your referral enrolls in our school, in appreciation for your support we will **take \$10 off your monthly tuition** for the entire 1st

year of your friend's membership! For every new family referred [2 or more family members] who enrolls, we'll **take \$10\* off your monthly tuition for EACH of the family members** for the entire 1st

year of your referrals membership.

Questions? Please let us know. Thank you!

#### \*Referral Program Details:

Referrals must enroll in a regular Golden Crane membership [for referral purposes, the 3 month introductory program is not included in the referral program].

A \$10 per month tuition discount is applied to the referring student's membership, for the entire 1<sup>st</sup> year of your referrals actively training. Any termination/ LOA [Leave of Absence] taken during that 12 month time period by you, or your referral, & the tuition discount will cease effective the date of termination / LOA [Leave of Absence].

For multiple family members referred, a \$10 per month tuition discount x the Number of Family members is applied [same as above]. At any time the referral count is reduced, the tuition discount will be reduced accordingly.

This applies for new students only. Family members of current Golden Crane students do not qualify for this Referral Program tuition credit, as they currently receive a discounted family membership rate.

This program replaces the previous referral program.
